SERVICE LIKE NO OTHER

We Provide More Than Equipment — We Provide Solutions.

RENTAL Program

The **KSS Rental Program** allows a customer to fulfill short-term goals, quickly and efficiently. The **Rental Program** also enables a customer to meet inventory, seasonal or service-based goals without the capital expense.

Truck Scales

Measure incoming materials and outgoing product with a broad range of truck scales. Our rugged truck scales assure accurate cost and revenue control.

Counting Scales

Excellent alternative to manual counting of products that can create issues of inventory losses and shrinkage.

Floor Scales

From rugged floor scales to advanced programmable indicators, KSS offers everything to meet the varied needs of our customers.

Crane Scales

Crane scales allow the capture of accurate, in-process load information for any industry utilizing crane operations.

Bench Scales

Bench and portable scales are basic weighing components that can be customized to fit any need or application.

Certified Weights

KSS has certified weights for load testing from 1 to 200,000 lbs.

Forklift & Pallet Jack Scales

Offering a wide variety of options and benefits to make your material handling capabilities more accurate and efficient.
