

**Turn investment into profit—  
Kanawha Scales' agriculture products  
make a measurable difference in farming  
and agricultural applications.**

# AGRICULTURE

***Kanawha Scales & Systems (KSS) has built its reputation around the highest level of customer support, innovative technology, and dedicated account management required by customers around the world.***

## **24/7 AVAILABILITY**

KSS has always provided repair and maintenance service, available 24 hours a day, 7 days a week. In addition, technical phone support is provided any time you call, every time you call.

## **TRAINING**

All of our service technicians are factory trained and are state registered where applicable. They are also required to participate in the KSS Service Technician Training Program. This program was designed and developed to ensure that our technicians are knowledgeable in all aspects of the weighing industry.

*"As a total solutions provider, Kanawha Scales & Systems has an unbeatable combination of experience, knowledge, and commitment to success."*

## **CALIBRATION AND REPAIR**

KSS provides standard repairs, emergency repair service, and regularly scheduled maintenance contracts. All calibrations are performed to NIST Handbook 44 standards to ensure that your scales are performing accurately.

## **DATA MANAGEMENT AND REPORTING**

**WebView Plus** online reporting provides web access to all of your scale information, repair histories, and calibration certificates. Download custom reports, determine budgetary needs, and even place service calls online.

***SERVICE LIKE NO OTHER***  
***We Provide More Than Equipment — We Provide Solutions.***
