

PHARMACEUTICAL INDUSTRY

Precision lab balances, counting scales, and intrinsically safe equipment for efficient manufacturing.

KSS offers measurement solutions that give companies in the Pharmaceutical Industry the ability to achieve efficiency, consistency, compliance, and data control. Accurate weighing in pharmaceuticals is paramount as your operation faces safety regulations and oversight requirements unmatched by most other production and research facilities. You must meet FDA guidelines and always be ready for an audit. Not to mention maintaining total control of weight and measurement data.

24/7 SERVICE

KSS provides emergency repair and maintenance service 24 hours a day, 7 days a week, year round. Technical phone support is provided any time you call, every time you call.

REPORTING

WebView+ gives you web access to your scale info, repair histories, and calibration certificates. Download custom reports, determine budgetary needs, and place service calls online with our reporting portal.

CALIBRATION & REPAIR

Standard repairs, emergency repairs, and regularly scheduled contractual maintenance - we'll be there. Calibrations are performed to NIST Handbook 44 standards to ensure your scales are accurate.

TECHNICIAN TRAINING

Our service technicians are factory trained and state registered where applicable. They participate in our intense training program, designed to ensure they are knowledgeable in all aspects of the weighing industry.

Turn investment into profit! Kanawha Scales' pharmaceutical weighing solutions make a measurable difference.

ANALYZERS & METAL DETECTORS

Metal detectors find metallic foreign bodies in non-metallic products and prevent contamination as well as production break downs, and expensive repairs to sensitive machinery. Rejected items are promptly separated out of the goods stream.

TRUCK SCALES, DATA COLLECTION SYSTEMS & SCALESIDE HARDWARE

We offer many rugged and efficient truck scale brands, and a full line of attended or fully automated systems for your shipping or receiving operations. Make your truck scale operations more efficient and the data readily available in meaningful and timely reports!

FLOOR SCALES & INDICATORS

From rugged, dependable floor scales to advanced programmable indicators, KSS offers everything to meet the varied needs of our customers.

LAB BALANCES

Challenging weighing tasks require precision balances so that your processes are efficient, error-free, and compliant. Accurately determine the mass or weight of an item or substance in grams, milligrams, or micrograms.

CUSTOM APPLICATIONS

Our expertise exceeds industrial scales and weighing applications. Our Technical Services team specializes in process control, material handling, and data management applications. Around the world, we deliver customized solutions that ensure efficient and cost-effective ways of doing business.
