

Kanawha Scales & Systems Privacy Policy

ONLINE PRIVACY POLICY Kanawha Scales & Systems, LLC currently collects three types of information from its Web sites: (1) your IP (Internet Protocol) address; (2) cookies; and, (3) information voluntarily submitted in quote request forms, order forms, customer satisfaction surveys, registration forms or e-mails sent to Web site administrators.

Your IP address often does not identify an individual, but rather is only a temporary name by which an individual obtains access to the Kanawha Scales & Systems, LLC web site. Kanawha Scales & Systems, LLC uses your IP address to help diagnose problems with our server and to administer our Web site quality. We do not use IP addresses to personally identify users. We use a log file of IP addresses to determine which areas of our site visitors like based on the volume of traffic and to better prepare future site content based on the interests of users. We do not track the usage patterns of individual users, but rather how well each page on our site performs overall and which files users are downloading.

Information voluntarily disclosed to Kanawha Scales & Systems, LLC through quote request forms, order forms, registration forms, customer satisfaction surveys, employment forms, rental request forms, e-mail or otherwise is added to the relevant Kanawha Scales & Systems, LLC database to enable processing of the order or registration, or for appropriate response. This information usually consists of the name, physical address, e-mail address, fax number, phone number and/or product that you may be interested in or have purchased.

Kanawha Scales & Systems, LLC may distribute further relevant information to individuals identified in this way to process the requested order or request. The customer's contact information is also used to get in touch with the visitor when necessary. We limit access to personal information about you to employees who we believe reasonably need to come into contact with that information to provide products or services to you or in order to do their jobs. Kanawha Scales & Systems, LLC will use its best efforts to prevent the government from obtaining member or customer information unless required by law.

Kanawha Scales & Systems, LLC endeavors to take appropriate measures to assure the reliability of records and to protect them from loss, misuse or alteration. Records are protected from access by Internet users by a firewall.

Use of Cookies Cookies are bits of information that are stored on your computer when you visit a Web site. Cookies can be used to store your personalization information such as username and password. At any time, you may choose to use or not to use this type of cookies technology to perform personalization on our site. If you choose not to, you must always login to your profile manually each time you visit the site.

WEB SITE TERMS OF USE

The following are terms of a legal agreement between you and Kanawha Scales & Systems, LLC By accessing, browsing and/or using this web site, you acknowledge that you have read, understood, and agree, to be bound by these terms and to comply with all applicable laws and regulations. If you do not agree to these terms, please do not use this Web site.

This Web site may contain other proprietary notices and copyright information, the terms of which must be observed and followed. Information on this Web site may contain technical inaccuracies or

typographical errors from time to time, despite Kanawha Scales & Systems, LLC best efforts to prevent this.

Information may be changed or updated without notice. Kanawha Scales & Systems, LLC may also make improvements and/or changes in the products and/or the programs described in this information at any time without notice.

Kanawha Scales & Systems, LLC assumes no responsibility regarding the accuracy of the information that is provided by this site and use of such information is at the recipient's own risk. By furnishing information, Kanawha Scales & Systems, LLC does not grant any licenses to any copyrights, patents or any other intellectual property rights.
