

Custom Weight Sleds

Kanawha
Scales & Systems®

A Division of American Equipment Holdings

KSS fabricates weight sleds for the transportation and cargo industries. Our sleds are:

- * Customizable
- * Verified at 1,000 lbs
- * Capable of holding 4,000 lbs of certified test weight
- * Easy to push by hand or with a motorized pusher
- * Built to easily slide across roller, caster or ball deck scales
